“ Sandy will be fondly remembered in my heart. You could always count on Sandy to have a word of wisdom. How many times we heard the famous Sandy Hamilton saying, "If nobody knows you're here, nobody know you're here." Thank you Sandy for all the fond memories and your belief in me when I was first starting in Northwest Arkansas. You will be missed my friend.

“ Sandy loved Christ and trusted Him. He loved being a part of the flock at Fellowship Church and had a lot of friends there. Rick and I knew Sandy as a close friend for 30 years. We cared about him like a father. For the past 15 years, we had spent most holidays with he and Donna. I am so proud to have known him and blessed to have had him in my life. He had a knack for finding commonalities with others and making new acquaintances feel like friends. We had become even closer after sharing the loss of his mother, Helen, and his brother, Joe. i am glad he will be united with Christ and his loving wife, Donna, whom we lost a few short months ago. He loved his beloved Culver School and was always sharing war stories of the fun things he did in school and in the Army. He was a very proud veteran. We will miss him. Love you man!

“ Sandy found a reason and a way to celebrate life every day. He was a wonderful dad to me and taught me so much about how to live a good life, care for my family, have reverence for God, and surround myself with things that make me happy. He was friends with everyone and loved well. These are just a few of the hundreds of photos we have of celebrating life!
