“ Jonna and I would like to extend our deepest sympathies and condolences to Aunt Lucille, Janet, Larry, Garry and their extended families for the loss of Uncle Beeb. Distance has kept us apart for many years but Uncle Beeb has always been one of my favorite Uncles. While airplane and helicopter rides make for forever memories for a young boy, it was his intelligence, fun loving nature and adventuresome spirit that has left a lasting impression to remind me that this thing called life is meant to be enjoyed. He will be dearly missed by family and friends both near and far. Bob Helton

“ May God bless you and comfort your family during this time of Uncle "Beeb's" passing through heaven's gates to be with our Savior. May our Lord help you find joy for him in this graduation from earth though it still be painful without your husband/father/grandfather/cousin/friend's physical presence.

I have the most fond memories of our visits to your farm in Salem growing up, playing in the big barn, Uncle Beeb giving us rides on Jesse the horse and Dusty(??) the pony. I distinctly recall Jesse becoming cantankerous one day, trying buck off Uncle Beeb but Uncle Beeb hung on and showed Jesse who was boss. We classified him as a true bronco rider.

I'll never forget the day Uncle Beeb flying a helicopter over our field and landing, taking each one of us up for a short ride. What excitement! He always had fun things for us to do. We sure do love our Uncle "Beeb". Our deepest sympathy also goes to his our mother, Evelyn, his sister, and called "Sister" by her siblings. May she find comfort in knowing he is now with their other brother and sister who has gone before and they are all at Jesus' feet now.

“Do not let your hearts be troubled. You believe in God[a]; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. 4 You know the way to the place where I am going.” John 14:1-3

“ Like Susan said, Al was one of our dad's dear friends. He was so good to dad when he was ill. Al and Lucille were both dear friends to our parents before mom and dad died. The world lost a wonderful man and his friends and family will miss him dearly. But we rest in the assurance that we will see him again some day. I raise the family up in my prayers. God bless you with the peace only He can give. Pat Bailey Page
