“ My sympathy to the Cardarelli family. I haven't seen Tony is many years but remember him and Joanne coming to our house to celebrate Christmas way back in the day.

“ Tony left many friends here in local 17. He was one of my very best friends and I had the great good fortune of working with him for many years. God bless him and his family.

“ I was shocked to see your Dad, my cousin, listed in our paper! Thank you for posting it. I remember great times had, when we all were younger! Your parents, with Bill and I. Time does March on, yet one thinks we all are still in our prime! God Bless You Chris, Darlene, AJ and your families. Hugs Sue Cardarelli Culley
