“ Bob was wonderful brother. As far as I know, he's never hurt anyone. He was a total example of how a Christian should live. He had lots of friends and family that was always welcomed into his home. When talking on the phone, his last words were" come look at us sometime." We played alot of canasta and drank ice tea. Many fun times and memories!

“ Going to miss you Bob, it was a pleasure working with you for the last three years and had a lot of fun teasing you by calling you Grandpa anytime you came in to relieve me in the morning. Things just won't be the same with you gone :(

“ Bob had a business that provided a living for alot of family's and I was one of them. I miss the time i worked for him. He expected you to give 100% but never asked anyone to do anything he wouldn't do himself. Sincerely Wesley Higgins
