“ So sorry to hear of Charles' death. He was a good man and fellow deacon with Ken Harris, who I am sure helped welcome him to his eternal home. May God comfort the family with assurance that He is keeping Charles and Carolyn in a better place that we could ever imagine until they see them again. .

“ Diane and Tommy Morrow,
My heart felt condolences to your Families.

"What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget"

“ Family of Dete, Sandra and Bruce: This is a sad day indeed, but a happy time for Dete to reunite with the wife that he loved as they are held together under the loving arm of our Lord, Jesus Christ. What a wonderful place to be. Dete has been a friend for many years, just lately have we been able to get reacquainted by telephone conversations. I have many fond memories of us as kids enjoying each others company. Dete was a very intelligent, caring person as exemplified by his life. God Bless you all and be strong.
