“ I didn't know you for a long period of time Christine. I wish I had known you longer. I enjoyed our times together and the laughter we shared along with great conversation. I will always remember your beautiful smile and be in awe of your expansive knowledge. I will never forget your gracious welcoming of my daughter into your family with open arms. That has always meant the world to me. I know your family is at total peace knowing you are with our Lord and savior.

“ Christine was very special to a lot of people. The one quality that she taught me in life was to be genuine. She gave freely of herself and I will forever be grateful for what she gave to me. May she finally be able to spread her wings and fly

“ Goodbye Christine, you were a great friend and like an older sister to me at a time in my life when I needed someone to talk to. You were very compassionate and kind to those around you and were a great exemplifier of the golden rule. May our Heavenly Father greet you with all the love you have so freely shared with others while passing through your mortal journey.
