Remember you're always here in my heart, and remember this day when times get hard, you're not alone, you're here in my heart. When you feel the heat and sun beat down, don't hang your head, or even frown, just read these words I wrote for you and God will help you make it through, because remember that you are in His heart too. I love you."

“ I knew Larry from FHS days, a long time ago, plus we worked at the V.A. at the same time for many years. Larry was well thought of. He was pleasant, quiet and did his work while minding his own business. He was a gentleman. I hadn't seen him since I retired in '09. He will be missed. Thoughts and prayers to his family and friends. May he rest in peace.
