“ Lisa will always have a part of my heart. Some of my fondest memories are with her, Nikki, Michael and Laura Beth. We lived down the street from each other and the girls were constant companions. Lisa was so creative with the kids - always thinking of fun things to do - even in the middle of a hot summer day. I love her and will miss her always. Leona

“ My name is Linda Workman I am your Aunt Agnes's oldest daughter. My sister Roberta told me about Lisa going to be with her Mom, Dad and the Lord. I used to play with her and her sisters when we were all little and Aunt Georgia would visit with my Mom. I am so very sorry that Lisa is gone, but she is in better hands now. I have 2 Daughters and my oldest one is battling an aggressive form of cancer. I will pray for you all as I know from losing my Brother David that you now feel like you have a big hole in your world and things will never get better. You never get over losing a wife, a mother, a sister or an Aunt, but know that she is not suffering any more and she will always live in your heart.

Love Your Cousin Linda Faye (Byrd) Workman

“ Lisa has been a member of our family since she was 18 years old and married my cousin Michael Ewing. Lisa May have been small but she was mighty! A tornado to be sure! She was always family even though they divorced we didn't divorce her! Lisa was always there when you needed a friend to listen or help with something but You always knew she had your back no matter what the circumstances! I'm so happy to have had the privilege of her being such a wonderful part of my life and I love her beyond words! She will be missed by many (I can't imagine not being able to call her for advice or just to chat) but I know she is no longer in pain...my love to her other family members just know how much she was loved by so many!
