“ To my sweet Cathcart family. It has been an honor caring for your parents this past year. As you know. Ms Lucile was my sweetheart. I loved her dearly. Thank you for sharing your family with me and your sweet memories. I will look forward to seeing Mr. Al and Ms. Lucile in Heaven one day!

“ Ms. Lucile was a beautiful lady. Always so 'put together' every Sunday in church at Highland Christian in Bella Vista. She always took my hand and had a sweet word for me and I really enjoyed seeing her when she came in. Garry was so very attentive to her and I know where he got his graciousness - from Lucile. Ya'll were truly blessed to have had her in your lives these many years and I know I will miss her as ya'll will too.

“ I have so many sweet memories of Lucille and Al. They were both faithful members of Fayetteville Court # 13, Order of the Amaranth. They always had a smile on their faces and were eager to help in any way they could. They will always be "Sweet in our Memory".

“ I had a rough home life and not too many people who believed in me. I will always remember she was the first teacher to encourage me and make me feel good by telling me and my parents I was smart. I'm 42 now and have been practicing pediatric occupational therapy for 18 years now and I still have that sweet memory of her!

“ Aunt Lucille is a treasure, now even more, sparkling in heaven in spirit with the Lord and Uncle "Beeb" (alias Al) and loved ones gone before her. She is beautiful lady inside and out and will be missed by her children and family but we can join her again in the Lord's time if we place our faith in God. She has only graduated from this temporary earth to her eternal life. So, we can be joyful that she is now in perfect health, as hard as that will be. May God bless and comfort her family during this time and provide them peace. You will be in our thoughts and prayers. Compliments to the maker of the tribute video. It was beautiful trip down memory lane. Love you all so much.

“ My Aunt Lucille was the sweetest most beautiful aunt anybody could ever have. When I was in 4th grade she gave me some hand lotion and told me to use it to keep my hands young. Her face was always so smooth, she really took care of herself and it showed. RIP Aunt Lucille, I LOVE YOU! Prayers to the family, she's with Uncle Beeb now. Carol
