“ Aunt Margie took me to get my ears pierced for my birthday. Lots of begging had to be done to convince my daddy for that Birthday present. When my hamster Kristi died, Aunt Margie brought me over another hamster. Aunt Margie would always call me when her nieces and nephews from New York and Texas would be coming for a visit. They were close to my age and we always had so much fun together. As I was returning from a funeral of another aunt on my moms side, it suddenly hit me that Aunt Margie was the only aunt I had left. Time goes so fast I had to stop and see her. She was sitting outside on the porch. She seemed to enjoy our visit and I was so happy I had gotten to see her. Thank you Aunt Margie for all the fun times I had with you and your family.

“ Dear Donna, Our heartfelt sympathy to you in the loss of your dear Mother. Your loving care and daily devotion to her comfort were given so reliably and selflessly. This was a long road, and you traveled it with her in such grace, always putting her needs first, and doing everything in your power to see she received the very best care! You are a daughter who was a blessing in every season of her mother's life. May God bless you now, and bring you comfort and peace. With love and deepest sympathy, Andrea and Lyndl
