“ I have so many fond memories of Ramona. We worked nights together at the VA. We shared so many good times, I could write a book. I can still hear her laugh. There will always be a special place in my heart for her. RIP MoMo. Until we meet again.

“ Ramona and I worked together at the VA for many years. But I also had the great honor of calling her my friend and we remained so for the rest of her life. We did Bible studies together as well as we took a few trips and went out to lunch when we could.

I am so sorry for your loss. She will be especially missed by you, her family, but by many others as well, including me.

She loved the Lord and I know where she is today. I pray that that reality will be a comfort to all of you as you walk this path without her.

Blessings, peace, and comfort to all of you. Barb Sturdivan

“ I'll always remember Ramona as being thoughtful, considerate, and kind. She often volunteered to take Mom (Ruth Gayer) to Bentonville to visit family or flower friends. Ramona was never in a hurry to leave and Mom loved her like the daughter she never had.

To the children and grandchildren--please know that you are in our thoughts and prayers.

May God comfort you in this time of sorrow,
Russell & Connie

“ I had the pleasure of working with Ramona during tour at the Va. She did some work on the unit which I supervised. She was a joy and pleasant to work with. Love and blessings to the family.

“ Great co worker and we shared several adventures...we went to see George Strait at the U of A and shared our binoculars to get a closer view of the backside of George! Have some other other stories but she asked me to keep them to myself! She will be missed.
