“ Tom served as both a board member and a volunteer at the Shiloh Museum of Ozark History for many years and helped us grow. He was dedicated, amazingly knowledgeable (especially on railroads and railroadians), much fun, and such a good person. For me personally, his voice sent me back to my upbringing in Massachusetts and we shared memories of places there. He was a good, good man and will be mightily missed at the museum.

“ Tom was always friendly, helpful and encouraging. He rarely raised his voice (that I know of) and genuinely enjoyed every activity he was involved with (Shiloh Museum, NRHS, etc). I will miss his knowledge and expertise in many areas
