“ Bill Mason was my father-in-law for a number of years but more than that he and his wife Jean were mentors to me. They were instrumental in my conversion to Christianity in that the walk they walked demonstrated a 'matter-of-fact' relationship with Jesus Christ. It was a matter of fact that He was who He said He was and wants an on-going relationship with us. That attitude motivated me to look deeper into what it was all about to be a Christian. In time thru it and others witnessing to me I challenged God with Matt 7:7 and asked Him what it was all about. He answered in 1984 on an L.A. freeway. So, I and my children - Jaime, Karen, Danny - have alot to be thankful that this Messianic Jew was such a big part of our lives. He made a lasting impact on all of us and I look forward to the big 'by and by' when we all meet Jesus upon His return. Condolences out to all family and friends.
